**[REDACTED] Proposed Visit to Soviet Textile
Education and Research Facilities [REDACTED]**

1. This Branch regards [REDACTED] proposed trip as an excellent opportunity for obtaining information about the Soviet textile industry. However, we are not sure it is in accord with ORR policy to use ORR funds for the trip.

2. If his making the trip depends upon his receiving financial aid, consideration should be given to the possibility of contracting with him for a report on the Soviet textile industry prepared on the basis of his trip.
